

ALTARS OF WORSHIP - RELATED PROPHETIC WORDS, DREAMS, & VISIONS

1/15-17/2004 Dutch Sheets & Chuck D. Pierce 50 State Tour, Albany (excerpt)

A sound and call to gather and worship will begin from Albany and then go all across NY State that will set the course for our state for the next four years and also affect our nation. **God is going to judge us by our willingness to stop and agree with His call to worship these times.** These corporate worship gatherings statewide over this next year will begin to shift our state.

Update: NY did not answer this call, but we are being given grace and a second chance to answer it now.

7/15/2006 Jane Hamon - New York City (excerpt)

A new sound will be birthed in this territory that not only will be a sound of warship and war, it's going to be the sound of the worshipping warriors that's going to be released from this land. There will be a sound of rejoicing, a sound of worship and a sound of war.

The Lord says, as I open the heavens over this area, the Lord says that **the open heavens will begin to manifest a new sound that's being heralded forth out of the mouth of My psalmist out of the mouth of My musicians** the Lord says that the musicians will once again learn what it is to prophesy on the instruments, they will learn how to begin to release sounds of heaven, and prophetically interpret what God is saying. New sounds that are coming from the heavens you will trumpet them; you will replicate them here in the earth realm says the Spirit Of God.

The Lord says it will have a permeating effect on the ground, it will have a permeating effect on the mountains. **The Lord says that the mountains are going to shake the mountains are going to tremble at the sound of the voice of the Lord that's coming through song, through music, through this new sound being released.** The Lord says I'm going to cause that Babylonian spirit to be torn down, the Lord says it's going to be torn down even through the new sound of praise the new sound of rejoicing and the sound of war. So, lift up your voice men and women, lift up your voice young generation, for I am opening the heavens and releasing a new sound says the Lord.

3/2/2009 Bill Yount: Worship Like a Snowplow (excerpts)

I saw "worship" like a huge snowplow in the spirit beginning to push and plow away hindrances and mountains of obstacles, to make the way possible for the King's Highway to be laid and built from New York stretching throughout the New England States.

The resistance seemingly coming against worship, to hinder it, is not the true picture. The truth is that *worship has actually been pushing and pressing against the powers of darkness over New England and making progress*, though it may seem unseen. The enemy is not pressing against worship; *worship is pressing against the enemy!*

Right beneath this moving "Monster" of a snowplow lies the King's Highway! I saw this highway being laid as this snowplow of worship was moving away every hindrance. As churches from New York and throughout New England continued worshipping, in spite of the spiritual coldness and numbness over their region, cold hearts began melting and this huge snowplow kept moving slowly but surely. The highway began to be seen right underneath this "monster" of a snowplow!

To every weary pastor, fainting worship leader and discouraged believer, keep on plowing on in worship! The enemy may be asking you, *"What is the use?"* but you must see from God's point of view that your seemingly insignificant **worship is a MONSTER of a snowplow pushing back the powers of darkness over New England!** The highway is now appearing!

4/30/2020 Chuck Pierce, to NYAPN (excerpt)

How will the voice of the most populace portion of our nation start speaking in a way that Faith can be heard for the change ahead? Where is the voice coming, of faith, out of New York? How will the apostolic governments in New York, rise up so that its voice is brought into the airways of NY and NYC? They must be heard, and must be represented as the voice coming out of NY. This becomes very key for us as we proceed now into this next season.... **We're going to worship and Judah must go first! That's that Apostolic/Prophetic team that knows how to use sound, and it will go first until we break through**, until just like Paul and Silas came out of the prison- this prison thing will break and we say we are watching the government in NY realign itself.

4/10/2024 Tobias Lyons, Glory of Zion

As you sing the names of God in this season in New York, I will begin to weave a new root system of My name in that land. The false systems of political, economic, and religion that has made its way through the land of NY and has resided in the catacombs of that state - this new identity of ME in the root structure will begin to break out the foundations of false religion. Sing the names of who I AM in that state! **Sing My Name in that land for in that declaration of who I AM, out of the mouths of My creation - a new root system will begin to form. It will be a 3-corded structure of My manifested identity in the land of NY that will begin to move through the catacombs of that state, breaking out the foundations of false religion.** My Kingdom will be built in the state of NY as the new root system forms but that seed of false religion that has aligned itself with the political and with the social aspects that have not been in alignment with Me, the root system is forming a new backbone in the state and erecting a new root system!

11/21/2024 Jane Lampkin (AOW), Dream

I saw NYS and kept hearing: "God is seeking those who will worship Him in Spirit and in Truth in NYS". Then I was taken up to the sky and I saw altars with fire all over NYS connected by cords of gold like a network. As I returned to earth, I could hear apostolic and prophetic worship coming from the altars. Then I was at my computer and was watching live streams of worship from each of those altars. Then I was taken to the sky again and I could see people dancing, praising, praying, painting, etc. in their homes and in their churches. **The worship was saturating the atmosphere creating a blanket of God's glory over NYS.** End of dream. Then I received the instruction: ***Establish altars of worship throughout NYS to saturate the atmosphere with My glory which will bring change to NYS. Have the groundwork in place by the end of January 2025. Watch for those of the younger generations who will take the reins in the coming years.***

Update: NYS Altars of Worship was launched January 2025.

11/24/2024 Lori Bandemer, NYAPN (by email)

We're called to ascend in worship, to come into His Throne Room with our adoration, thanksgiving and praise... The desire of our hearts is to build an altar to Him, (here in New York and the USA) where He comes and dwells in our midst. **We don't want to be just a place of visitation; we want to be a place of habitation for Him! As we're faithful to build Him an altar, all other altars will begin to fall!**

1/9/2025 Jane Lampkin, AOW, during prayer

There is a sound of Kingdom authority and power that will come out of New York State through My anointed and appointed minstrels and psalmists that will shift New York State. As others join them to magnify My Name in praise and worship, the Kingdom sound of New York is broadcast throughout the airwaves of the state. This will cause a wave of My presence to go out over New York State, bringing major changes for My Glory.

5/11/2025 Gina Gholston, (excerpt from Release the Sound word)

2 Chronicles 5:13-14. *"It came to pass, when the trumpeters and singers were as one, to make one sound to be heard in praising and thanking the Lord, and when they lifted up their voice with the trumpets and cymbals and instruments of music and praised the Lord, saying: 'For He is good, For His mercy endures forever,' that the house of the Lord, was filled*

with a cloud, so that the priests could not continue ministering because of the cloud; for the glory of the Lord filled the house of God."

The sound preceded the entrance of the glory! Heaven responds to our sound!

The Lord once said to me, **"I will reveal My sent-ahead ones, and they will release My strategy and power for days ahead! I will make their voices like the sound of trumpets—each trumpet releasing a unique sound. My Spirit will instruct them for movement! I'll work a work, and none will stop what I do!"**

God is calling the forerunners to **run with the sound!** Somebody has to go first with courageous faith and fervency, and engage as co-laborers with Christ! Those who will respond to His call will be sent forth as His mouthpiece, releasing His words that will prepare the way for His glory to come. **As we release our shout, our worship, our prayers, our decrees—our sounds—we are marching to the rhythms of Heaven, joining with the hosts of Heaven, and that dome of iniquitous influence will completely shatter!** Chains will be broken, light will overtake the darkness, and righteous transformation will happen.

7/9/2025 Jane Lampkin, AOW (released 7/22/2025)

There is a sound that is rising from my remnant ecclesia in New York State that will be like a tsunami, wiping out anything that is not rooted in Me. The sound is coming from those who have resided in the secret place and know Me and who they are in Me; from those who know how to use the authority and power I have given them to tear down, root up, and build according to My instructions.

The overcoming will not be by the sword of man but by the sword of the words from My throne room in worship. This governmental order of praise, worship, and movement will clear the way for My kingdom to be fully established in NYS.

The sound mixed with movement and with ministry to Me in praise and worship will send shock waves into the atmosphere and the land, shaking everything that can be shaken; tearing down false altars of worship and establishing altars of worship to Me that will bring My Glory, my manifest presence, to New York and beyond.

As you **follow My lead with corporate obedience in one accord**, it will go from a spark to a firestorm that cannot be stopped. **It will begin in New York State and flow from there to the nation and nations.** It will be done by My hand through My remnant, working with Me as My Ecclesia in the earth. Decreeing and declaring what I give them to decree and declare in song.

You can join this army of faith in the secret place with Me. Just meet with Me and ask for your eyes and ears to be opened to what I am doing in this season, which is **preparing you to rule and reign with Me.** Join with My triumphant reserves that will turn New York State and the world upside down and back to its intended purpose.

Update

One week after the release of this word, a magnitude 8.8 earthquake off the coast of Russia triggered tsunami warnings throughout the Pacific Rim.
